### Vineyard Description:

This vineyard is located on Dry Creek Road directly across the street from the winery. It is farmed by Randy Peters, who was born on the property and is named after his late mother, Pauline. It is planted in the famous Cortina soil from the Grenache Noir clone with rootstock 101-14.

### Winemaker Notes:

Following a whole berry press, we maintained a cool fermentation in stainless steel, which allowed us to retain the fruit's natural character. Watermelon and strawberry make up the aromatics of this wine. The bright vibrant palate of strawberry juice, with hints of minerality, lead to a long and lingering finish.
