### Vineyard Description:

Located in west Sonoma County, 15 miles from the coast as the crow flies, this is the perfect location for Pinot Noir. This vineyard's soil composition is a rich Goldridge Sandy Loam. With consistent foggy conditions which extend hang time, the fruit is fully developed and loaded with complexity. This former Gravenstein apple orchard was replanted in the early 1980's by Randy Peters, who paired the right clone with the right vineyard site.

### Winemaker Notes:

The 2014 Winemaker's Reserve is a blend of four different clones. It showcases the opulent, dense flavors brought on by the third continuous drought year in a row. This Pinot is loaded with black cherry, plum and black tea flavors that are intense and concentrated with a pretty floral aromas with subtle nuances of clove. The polished texture of this wine gains lift from refreshing acidity as the finish delightfully persists.
