### Vineyard Description:

Planted in West Sebastopol, this is a premier location for Chardonnay. The vineyard is next to Luther Burbank's Farm and the soil composition is rich Goldridge Sandy Loam. With the consistent coastal fog extending hang time well into October, this fruit is fully developed and loaded with complexity. This Chardonnay is comprised of Clones 4 and 76.

### Winemaker Notes:

This coastal Chardonnay is broad and expansive offering pure rich layered notes of peach, nectarine, honeydew, and creamy vanilla. With depth, density persistence, and an intriguing after taste that keeps flavors evolving.

### Winemaker's Quote:

"Blessed with a near perfect vintage I made what I consider to be the best Chardonnay I've ever crafted."
